

Courts — offer or find

A booked court you can share, or a court you need

BOTH ENDS

- 1 Have a court you booked and want to fill or pass on? + **Post a Listing** → **Offer a court**: venue, date & slot, price per head.
- 2 Need a court? + **Post a Listing** → **Find a court**: your area, time, and **max budget**.
- 3 Court matching is **instant and automatic** — the moment an offer and a need fit (same club or area, time within ± 90 minutes, price within budget), the system pairs them.
- 4 Both sides get a **WhatsApp match alert** from PadelMind (+91 83569 98375) with the venue and time — then you connect and confirm between yourselves.
- 5 Matched or date passed → the listing closes and leaves the board on its own. Check 🕒 **History** for the record.

Browse both tabs. The 📌 Courts tab on the board shows every open court offer and request — sometimes the fastest game is grabbing a court someone else can't use.
